Independent Auditor's Report

To the Board of Education
Geneseo Community Unit School District No. 228
Geneseo, Illinois

Report on the Financial Statements

We have audited the accompanying financial statements of Geneseo Community Unit School District No. 228 as of and for the fiscal year ended June 30, 2017 as listed in the table of contents and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with the financial reporting provisions prescribed and permitted by the Illinois State Board of Education. Management is also responsible for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinions.

Basis for Adverse Opinion on U.S. Generally Accepted Accounting Principles

As described in Note #1 of the financial statements, the financial statements are prepared by Geneseo Community Unit School District No. 228 on the basis of the financial reporting provisions prescribed by the Illinois State Board of Education, which is a basis of accounting other than accounting principles generally accepted in the United States of America, to meet the audit requirements of State of Illinois.

The effects on the financial statements of the variances between the regulatory basis of accounting described in Note #1 and accounting principles generally accepted in the United States of America, although not reasonably determinable, are presumed to be material.

Adverse Opinion on U.S. Generally Accepted Accounting Principles

In our opinion, because of the significance of the matter discussed in the “Basis for Adverse Opinion on U.S. Generally Accepted Accounting Principles” paragraph, the financial statements referred to above do not present fairly, in accordance with accounting principles generally accepted in the United States of America, the financial position of each fund of Geneseo Community Unit School District No. 228 as of June 30, 2017, or changes in financial position for the year then ended.

Opinion on Regulatory Basis of Accounting

In our opinion, the financial statements referred to above present fairly, in all material respects, the assets, liabilities and fund balances arising from cash transactions of Geneseo Community Unit School District No. 228 as of June 30, 2017, and its revenue received and expenditures disbursed during the fiscal year then ended, in accordance with the financial reporting provisions prescribed by the Illinois State Board of Education and described in Note #1.

Other Reporting Responsibilities*Schedule of Expenditures of Federal Awards*

Our audit was conducted for the purpose of forming opinions on the financial statements that collectively comprise Geneseo Community Unit School District No. 228’s basic financial statements. The Schedule of Expenditures of Federal Awards is presented for purposes of additional analysis as required by Title 2 U.S. *Code of Federal Regulations* (CFR) Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards*, and is not a required part of the basic financial statements.

The Schedule of Expenditures of Federal Awards is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the basic financial statements. Such information has been subjected to the auditing procedures applied in the audit of the basic financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the basic financial statements or to the basic financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the Schedule of Expenditures of Federal Awards are fairly stated in all material respects in relation to the basic financial statements as a whole.

The 2016 comparative information shown in the Schedule of Expenditures of Federal Awards was subjected to auditing procedures applied by us and our report dated September 22, 2016 expressed an unqualified opinion that such information was fairly stated in all material respects in relation to the 2016 financial statements as a whole.

Supplemental Information

Our audit was conducted for the purpose of forming an opinion on the financial statements as a whole. The supplementary schedules on pages 23 through 26, statistical section on pages 27 through 29 and the itemization schedule on page 33, and Schedules for Trust and Agency Funds are presented for the purposes of additional analysis and are not a required part of the financial statements of Geneseo Community Unit School District No. 228. Such information, except for the average daily attendance figure, included in the computation of operating expense per pupil on page 28 and per capita tuition charges on page 29, is the responsibility of management and has been derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the information is fairly stated in all material respects in relation to the financial statements as a whole. The information on pages 28-30 is propagated from information in the audited financial statements, but we take no responsibility for the accuracy of those calculations.

Report on the Financial Statements

We have audited the accompanying financial statements of Geneseo Community Unit School District No. 228 as of and for the fiscal year ended June 30, 2017 as listed in the table of contents and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with the financial reporting provisions prescribed and permitted by the Illinois State Board of Education. Management is also responsible for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinions.

Basis for Adverse Opinion on U.S. Generally Accepted Accounting Principles

As described in Note #1 of the financial statements, the financial statements are prepared by Geneseo Community Unit School District No. 228 on the basis of the financial reporting provisions prescribed by the Illinois State Board of Education, which is a basis of accounting other than accounting principles generally accepted in the United States of America, to meet the audit requirements of State of Illinois.

The effects on the financial statements of the variances between the regulatory basis of accounting described in Note #1 and accounting principles generally accepted in the United States of America, although not reasonably determinable, are presumed to be material.

Adverse Opinion on U.S. Generally Accepted Accounting Principles

In our opinion, because of the significance of the matter discussed in the “Basis for Adverse Opinion on U.S. Generally Accepted Accounting Principles” paragraph, the financial statements referred to above do not present fairly, in accordance with accounting principles generally accepted in the United States of America, the financial position of each fund of Geneseo Community Unit School District No. 228 as of June 30, 2017, or changes in financial position for the year then ended.

Opinion on Regulatory Basis of Accounting

In our opinion, the financial statements referred to above present fairly, in all material respects, the assets, liabilities and fund balances arising from cash transactions of Geneseo Community Unit School District No. 228 as of June 30, 2017, and its revenue received and expenditures disbursed during the fiscal year then ended, in accordance with the financial reporting provisions prescribed by the Illinois State Board of Education and described in Note #1.

Other Reporting Responsibilities*Schedule of Expenditures of Federal Awards*

Our audit was conducted for the purpose of forming opinions on the financial statements that collectively comprise Geneseo Community Unit School District No. 228’s basic financial statements. The Schedule of Expenditures of Federal Awards is presented for purposes of additional analysis as required by Title 2 U.S. *Code of Federal Regulations* (CFR) Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards*, and is not a required part of the basic financial statements.

The Schedule of Expenditures of Federal Awards is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the basic financial statements. Such information has been subjected to the auditing procedures applied in the audit of the basic financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the basic financial statements or to the basic financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the Schedule of Expenditures of Federal Awards are fairly stated in all material respects in relation to the basic financial statements as a whole.

The 2016 comparative information shown in the Schedule of Expenditures of Federal Awards was subjected to auditing procedures applied by us and our report dated September 22, 2016 expressed an unqualified opinion that such information was fairly stated in all material respects in relation to the 2016 financial statements as a whole.

Supplemental Information

Our audit was conducted for the purpose of forming an opinion on the financial statements as a whole. The supplementary schedules on pages 23 through 26, statistical section on pages 27 through 29 and the itemization schedule on page 33, and Schedules for Trust and Agency Funds are presented for the purposes of additional analysis and are not a required part of the financial statements of Geneseo Community Unit School District No. 228. Such information, except for the average daily attendance figure, included in the computation of operating expense per pupil on page 28 and per capita tuition charges on page 29, is the responsibility of management and has been derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the information is fairly stated in all material respects in relation to the financial statements as a whole. The information on pages 28-30 is propagated from information in the audited financial statements, but we take no responsibility for the accuracy of those calculations.

Other Information

The information provided on pages 2 through 4, and page 36 are presented for the purposes of additional analysis and are not a required part of the financial statements of Geneseo Community Unit School District No. 228. The Report on Shared Services or Outsourcing on page 31 contains unaudited information concerning prior, current, and future year expenditures which was provided by the District. The Administrative Cost Worksheet on page 32 contains unaudited information concerning the current year budget which was provided by the District. The actual expenditure information on this page is fairly stated in all material respects in relation to the financial statements as a whole. The average daily attendance figure, included in the computation of operating expense per pupil on page 28 and per capita tuition charges on page 29, have not been subjected to the auditing procedures applied in the audit of the financial statements, and accordingly, we do not express an opinion or provide any assurance on them.

Other Reporting Required by Government Auditing Standards

In accordance with *Government Auditing Standards*, we have also issued a report dated October 4, 2017, on our consideration of Geneseo Community Unit School District No. 228 internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is to describe the scope of testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on the internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering Geneseo Community Unit School District No. 228's internal control over financial reporting and compliance.

Independent Auditor's Report on Internal Control Over Financial Reporting and on Compliance and Other Matters Based on an Audit of Financial Statements Performed in Accordance with Government Auditing Standards

To the Board of Education
Geneseo Community Unit School District No. 228
Geneseo, Illinois

Report on Internal Control and Compliance

We have audited, in accordance with the auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States, the financial statements of Geneseo Community Unit School District No. 228 as of and for the year ended June 30, 2017 and the related notes to the financial statements which collectively comprise Geneseo Community Unit School District No. 228's basic financial statements, and have issued our report thereon dated October 4, 2017. Our opinion was adverse because the financial statements are not prepared in accordance with generally accepted accounting principles. However, the financial statements were found to be fairly stated on the cash basis of accounting, in accordance with regulatory reporting requirements established by the Illinois State Board of Education, which is a comprehensive basis of accounting other than generally accepted accounting principles.

Internal Control Over Financial Reporting

In planning and performing our audit of the financial statements, we considered Geneseo Community Unit School District No. 228's internal control over financial reporting (internal control) to determine the audit procedures that are appropriate in the circumstances for the purpose of expressing our opinions on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the Geneseo Community Unit School District No. 228's internal control. Accordingly we do not express an opinion on the effectiveness of Geneseo Community Unit School District No. 228's internal control.

A deficiency in internal control exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. A material weakness is a deficiency, or combination of deficiencies, in internal control such that there is a reasonable possibility that a material misstatement of the school district's financial statements will not be prevented or detected and corrected on a timely basis. A significant deficiency is a deficiency, or combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in the internal control that might be material weaknesses or, significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

Compliance and Other Matters

As part of obtaining reasonable assurance about whether Geneseo Community Unit School District No. 228's financial statements are free of material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts and grant agreements, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

Purpose of this Report

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the entity's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the entity's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

Independent Auditor's Report on Compliance For Each Major Program and on Internal Control Over Compliance Required by The Uniform Guidance

To the Board of Education
Geneseo Community Unit School District No. 228
Geneseo, Illinois

Report on Compliance for Each Major Federal Program

We have audited Geneseo Community Unit School District No. 228's compliance with the types of compliance requirements described in the OMB Compliance Supplement that could have a direct and material effect on each of its major federal programs for the year ended June 30, 2017. Geneseo Community Unit School District No. 228's major federal programs are identified in the summary of auditor's results section of the accompanying schedule of findings and questioned costs.

Management's Responsibility

Management is responsible for compliance with the requirements of laws, regulations, contracts, and grants applicable to its federal programs.

Auditor's Responsibility

Our responsibility is to express an opinion on compliance for each of Geneseo Community Unit School District No. 228's major federal programs based on our audit of the types of compliance requirements referred to above. We conducted our audit of compliance in accordance with auditing standards generally accepted in the United States of America; the standards applicable to financial audits contained in Government Auditing Standards, issued by the Comptroller General of the United States; and the audit requirements of Title 2 U.S. *Code of Federal Regulations* (CFR) Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards* (Uniform Guidance). Those standards and the Uniform Guidance require that we plan and perform the audit to obtain reasonable assurance about whether noncompliance with the types of compliance requirements referred to above that could have a direct and material effect on a major federal program occurred. An audit includes examining, on a test basis, evidence about Geneseo Community Unit School District No. 228's compliance with those requirements and performing such other procedures as we considered necessary in the circumstances.

We believe that our audit provides a reasonable basis for our opinion on compliance for each major federal program. However, our audit does not provide a legal determination on Geneseo Community Unit School District No. 228's compliance with those requirements.

Opinion on Each Major Federal Program

In our opinion, Geneseo Community Unit School District No. 228 complied, in all material respects, with the types of compliance requirements referred to above that could have a direct and material effect on each of its major federal programs for the year ended June 30, 2017.

Report on Internal Control Over Compliance

Management of Geneseo Community Unit School District No. 228 is responsible for establishing and maintaining effective internal control over compliance with the types of compliance requirements referred to above. In planning and performing our audit of compliance, we considered Geneseo Community Unit School District No. 228's internal control over compliance with the types of requirements that could have a direct and material effect on each major federal program to determine the auditing procedures that are appropriate in the circumstances for the purpose of expressing an opinion on compliance for each major federal program and to test and report on internal control over compliance in accordance with the Uniform Guidance, but not for the purpose of expressing an opinion on the effectiveness of internal control over compliance. Accordingly, we do not express an opinion on the effectiveness of Geneseo Community Unit School District No. 228's internal control over compliance.

A deficiency in internal control over compliance exists when the design or operation of a control over compliance does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, noncompliance with a type of compliance requirement of a federal program on a timely basis. A material weakness in internal control over compliance is a deficiency, or combination of deficiencies, in internal control over compliance, such that there is a reasonable possibility that material noncompliance with a type of compliance requirement of a federal program will not be prevented, or detected and corrected, on a timely basis. A significant deficiency in internal control over compliance is a deficiency, or combination of deficiencies, in internal control over compliance with a type of compliance requirement of a federal program that is less severe than a material weakness in internal control over compliance, yet important enough to merit attention by those charged with governance.

Our consideration of internal control over compliance was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control over compliance that might be material weaknesses or significant deficiencies. We did not identify any deficiencies in internal control over compliance that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

Purpose of this Report

The purpose of this report on internal control over compliance is solely to describe the scope of our testing of internal control over compliance and the results of that testing based on the requirements of the Uniform Guidance. Accordingly, this communication is not suitable for any other purpose.

GENESEO COMMUNITY UNIT SCHOOL DISTRICT NO. 228
NOTES TO THE BASIC FINANCIAL STATEMENTS
JUNE 30, 2017

Note #1 - Summary of Significant Accounting Policies (cont'd.)

B. Basis of Presentation - Fund Accounting (cont'd.)

General Fixed Assets and General Long-Term Debt Account Group (cont'd.)

The District adopted a \$5,000 capitalization policy and follows the applicable capitalization in accordance with grant guidelines, when applicable.

No depreciation has been provided on fixed assets in these financial statements. The Illinois State Board of Education's Annual Financial Report (ISBE Form SD50-35/JA50-60) includes depreciation of \$1,084,798, which has been utilized for the calculation of the per capita tuition charge, and accumulated depreciation totaling \$15,883,453. Depreciation has been computed over the estimated useful lives of the assets using the straight-line method.

The estimated useful lives are as follows:

Depreciable Land	50 years
Buildings	
Permanent	50 years
Temporary	20 years
Infrastructure Improvements other than Building	20 years
Capitalized Equipment	3-10 years

Long-term liabilities expected to be financed from Debt Services Funds are accounted for in the General Long-Term Debt Account Group, not in the governmental funds. Proceeds from sales of bonds are included as receipts in the appropriate fund on the date received. Related principal payable in the future is recorded at the same time in the General Long-Term Debt Account Group.

The two account groups are not "funds". They are concerned only with the measurement of financial position. They are not involved with measurement of results of operations.

C. Basis of Accounting

Basis of accounting refers to when revenues received and expenditures disbursed are recognized in the account and how they are reported in the financial statements. The District maintains its accounting records for all funds and account groups on the cash basis of accounting under guidelines prescribed by the Illinois State Board of Education. Accordingly, revenues are recognized and recorded in the accounts when cash is received. In the same manner, expenditures are recognized and recorded upon the disbursement of cash. Assets of a fund are only recorded when a right to receive cash exists which arises from a previous cash transaction. Liabilities of a fund, similarly, result from previous cash transactions.

Cash-basis financial statements omit recognition of receivables and payables and other accrued and deferred items that do not arise from previous cash transactions. Proceeds from sales of bonds are included as other financing sources in the appropriate fund on the date received. Related principal payable in the future is recorded at the same time in the General Long-Term Debt Account Group.

Note #1 - Summary of Significant Accounting Policies (cont'd.)

D. Budgets and Budgetary Accounting

The budget for all Governmental Fund Types and for the Working Cash Fund is prepared on the cash basis of accounting, which is the same basis that is used in financial reporting. This allows for comparability between budget and actual amounts. This is an acceptable method in accordance with Chapter 105, Section 5, Paragraph 17-1 of the Illinois Compiled Statutes. The original budget was passed on September 8, 2016.

For each fund, total fund expenditures disbursed may not legally exceed the budgeted amounts. The budget lapses at the end of each fiscal year.

The District follows these procedures in establishing the budgetary data reflected on the financial statements:

1. Prior to July 1, the Superintendent submits to the Board of Education a proposed operating budget for the fiscal year commencing on that date. The operating budget includes proposed expenditures disbursed and the means of financing them.
2. A public hearing is conducted to obtain taxpayer comments.
3. Prior to October 1, the budget is legally adopted through passage of a resolution.
4. Formal budgetary integration is employed as a management control device during the year.
5. The Board of Education may make transfers between the various items in any fund not exceeding in the aggregate 10% of the total of such fund as set forth in the budget.
6. The Board of Education may amend the budget (in other ways) by the same procedures required of its original adoption.

E. Cash and Cash Equivalents

Cash includes amounts in demand deposits and time deposit (savings) accounts. Cash equivalents include amounts in time deposits and other investments with original maturities of less than 90 days.

F. Investments

Investments are stated at cost or amortized cost, which approximates market. The District, under 30 ILCS 235/2, may legally invest in all securities guaranteed by the full faith and credit of the United States, as well as interest-bearing savings accounts, certificates of deposit, or time deposits constituting direct obligations of banks insured by FDIC and savings and loan associates insured by FSLIC. The District may also invest in short-term obligations of the Federal National Mortgage Association, the Public Treasurer's Investment Pool, and all interest-bearing obligations of the State of Illinois.

G. Inventories

Inventory consists of expendable supplies held for consumption. The cost is recorded as an expenditure disbursed at the time the individual inventory items are purchased.

GENESEO COMMUNITY UNIT SCHOOL DISTRICT NO. 228
 NOTES TO THE BASIC FINANCIAL STATEMENTS
 JUNE 30, 2017

Note #2 - Property Taxes

The District's property tax is levied each year on all taxable real property located in the District on or before the last Tuesday in December. Taxes are levied in Henry and Whiteside Counties. The 2016 levy was passed by the board on December 8, 2016. Property taxes attach as an enforceable lien on property as of January 1 and are payable in two installments on June 1 and September 1. The District receives significant distributions of tax receipts approximately one month after these due dates. The District received \$8,307,090 in taxes from the 2016 tax levy prior to June 30, 2017. The balance of taxes recorded in these statements are from 2015 and prior tax levies.

The following are the tax rates applicable to the various levies per \$100 of assessed valuation:

Note #3 – Fund Balance Reporting

According to Government Accounting Standards, fund balances are to be classified into five major classifications: Nonspendable Fund Balance, Restricted Fund Balance, Committed Fund Balance, Assigned Fund Balance, and Unassigned Fund Balance. The Regulatory Model, followed by the District, only reports Reserved and Unreserved Fund Balances. Below are definitions of the differences and a reconciliation of how these balances are reported.

A. Nonspendable Fund Balance

The nonspendable fund balance classification includes amounts that cannot be spent because they are either (a) not in spendable form or (b) legally or contractually required to be maintained intact. The “not in spendable form” criterion includes items that are not expected to be converted to cash, for example, inventories and prepaid amounts. Due to the cash basis nature of the district, all such items are expensed at the time of purchase, so there is nothing to report for this classification.

GENESEO COMMUNITY UNIT SCHOOL DISTRICT NO. 228
NOTES TO THE BASIC FINANCIAL STATEMENTS

Note #3 – Fund Balance Reporting (cont'd.)

B. Restricted Fund Balance

The restricted fund balance classification refers to amounts that are subject to outside restrictions not controlled by the entity, such as restrictions imposed by creditors, grantors, contributors, laws and regulations of other governments, or imposed by law through constitutional provisions or enabling legislation. Special Revenue Funds are, by definition, restricted for those specified purposes. The District has several revenue sources received within different funds that also fall into these categories:

1. Special Education

Cash receipts and the related cash disbursements of this restricted tax levy are accounted for in the Educational Fund. Expenditures disbursed exceeded revenue received for this purpose, resulting in no restricted fund balance.

2. Leasing Levy

Cash disbursed and the related cash receipts of this restricted tax levy are accounted for in the Educational Fund. Revenue received exceeded expenditures disbursed for this purpose, resulting in a restricted fund balance of \$176,475. Note #3 – Fund Balance Reporting (cont'd.)

C. Committed Fund Balance

The committed fund balance classification refers to amounts that can only be used for specific purposes pursuant to constraints imposed by formal action of the government's highest level of decision making authority (the School Board). Those committed amounts cannot be used for any other purpose unless the government removes or changes the specified use by taking the same type of formal action it employed to previously commit those amounts.

The School Board commits fund balance by making motions or passing resolutions to adopt policies or to approve contracts. Committed fund balance also incorporates contractual obligations to the extent that existing resources in the fund have been specifically committed for use in satisfying those contractual requirements.

Employee contracts for services rendered during the school year for employees electing twelve month pay schedules are recorded as disbursements in the fiscal year when such checks are drawn. At June 30, 2017, the total amount of unpaid contracts and benefits for services performed during the fiscal year ended June 30, 2017 amounted to \$1,649,905. This amount is shown as Unreserved in the Educational Fund.

D. Assigned Fund Balance

The assigned fund balance classification refers to amounts that are constrained by the government's intent to be used for a specific purpose, but are neither restricted nor committed. Intent may be expressed by (a) the School Board itself or (b) the finance committee or by the Superintendent when the School Board has delegated the authority to assign amounts to be used for specific purposes.

E. Unassigned Fund Balance

The unassigned fund balance classification is the residual classification for amounts in the General Operating Funds for amounts that have not been restricted, committed, or assigned to specific purposes within the General Funds. Unassigned Fund Balance amounts are shown in the financial statements as Unreserved Fund Balances in the Educational and Working Cash Funds.

F. Regulatory – Fund Balance Definitions

Reserved Fund Balances are those balances that are reserved for a specified purpose, other than the regular purpose of any given fund. Unreserved Fund Balances are all balances that are not reserved for a specific purpose other than the specified purpose of a fund.

Custodial Credit Risk Related to Deposits with Financial Institutions

Custodial credit risk is the risk that in the event of a bank failure, the government's deposits may not be returned to it. The District's general investment policy requires all amounts deposited or invested with financial institutions in excess of any insurance limit shall be collateralized by securities eligible for District investment or any other high-quality, interest-bearing security rated at least AA/Aa by one or more standard rating services to include Standard & Poor's, Moody's, or Fitch. The market value of the pledged securities shall equal or exceed the portion of the deposit requiring collateralization.

The District's investment policy states the preferred method for safekeeping of collateral is to have securities registered in the District's name and held by a third-party custodian. Safekeeping practices should qualify for the Governmental Accounting Standards Board's Statement III, Category I, the highest recognized safekeeping procedures.

Custodial Credit Risk Related to Deposits with Financial Institutions (cont'd.)

As of June 30, 2017 \$6,272,062 of the District's bank balances were exposed to custodial credit risk as follows:

Uninsured and collateralized with securities held by the pledging financial institution's trust department, but not in the District's name	<u>\$ 6,272,062</u>
--------------------------------------------------------------------------------------------------------------------------------------------	---------------------

Custodial Credit Risk of Investments

Custodial credit risk is the risk that in the event of the failure of the counterparty, the District will not be able to recover the value of its investments or collateral securities that are in the possession of an outside party. At year end, none of the District's investments were subject to custodial credit risk due to one of the following:

- Investments were part of an insured pool
- Investments were book-entry only in the name of the District and were fully insured
- Investments were part of a mutual fund
- Investments were held by an agent in the District's name

Interest Rate Risk

Interest rate risk is the risk that the value of investments will decrease as a result of a rise in interest rates. The District's investment policy does not limit investment maturities as a means of managing its exposure to fair value losses arising from increasing interest rates.

- 24.8% - ISDLAF

ISDLAF+ (Investment Pool) -

During the year ended June 30, 2017, the District maintained an account with the Illinois School District Liquid Asset Fund Plus (also known as ISDLAF+). ISDLAF+ is an external investment pool created in cooperation by the Illinois Association of School Boards, the Illinois Association of School Business Officials, and the Illinois Association of School Administrators. Its primary purpose is to provide School Districts, Community College Districts, and Educational Service Regions with an alternative investment vehicle which will enable them to earn a competitive rate of return on fully collateralized investments, while maintaining immediate access to invested funds.

The Multi-Class Series invests in money market instruments having a maximum remaining maturity of one year (except that U.S. government obligations may have remaining maturities of up to two years). It has earned an AAA rating from Standard & Poor's ("S&P"). The Multi-Class Series consists of two classes of shares: the Liquid Class and the MAX Class. The Liquid Class offers check writing privileges, while the MAX Class does not.

ISDLAF+ also provides a Fixed Income Investment Program that allows investors to purchase investment instruments including certificates of deposit of banks and thrift institutions ("CDs"), commercial paper, and banker's acceptances. CDs purchased under this program are fully FDIC insured and have been classified as deposits for financial statement purposes.

Note #6 – Pension Disclosures

The District contributes to two defined benefit pension plans: the Illinois Municipal Retirement Fund (IMRF), and the Teachers Retirement System (TRS). IMRF is administered by IMRF board of trustees and is an agent multiple-employer public employee retirement system. TRS is administered by the TRS board of trustees and is a cost sharing multiple employer plan. The benefits, benefit levels, employee contributions and employer contributions for both plans are governed by Illinois Compiled Statutes and can only be amended by the Illinois General Assembly. The aggregate employer recognized pension expense on a cash basis for the year ended June 30, 2017, was \$346,881.

A. Teacher’s Retirement System of the State of Illinois

Plan description

The employer participates in the Teachers’ Retirement System of the State of Illinois (TRS). TRS is a cost-sharing multiple-employer defined benefit pension plan that was created by the Illinois legislature for the benefit of Illinois public school teachers employed outside the city of Chicago. TRS members include all active non-annuitants who are employed by a TRS-covered employer to provide services for which teacher licensure is required. The Illinois Pension Code outlines the benefit provisions of TRS, and amendments to the plan can be made only by legislative action with the Governor’s approval. The TRS Board of Trustees is responsible for the System’s administration.

TRS issues a publicly available financial report that can be obtained at <http://trs.illinois.gov/pubs/cafr.htm>; by writing to TRS at 2815 W. Washington, PO Box 19253, Springfield, IL 62794; or by calling (888) 877-0890, option 2.

Benefits provided

TRS provides retirement, disability, and death benefits. Tier I members have TRS or reciprocal system service prior to January 1, 2011. Tier I members qualify for retirement benefits at age 62 with five years of service, at age 60 with 10 years, or age 55 with 20 years. The benefit is determined by the average of the four highest years of creditable earnings within the last 10 years of creditable service and the percentage of average salary to which the member is entitled. Most members retire under a formula that provides 2.2 percent of final average salary up to a maximum of 75 percent with 34 years of service. Disability and death benefits are also provided.

Note #6 – Pension Disclosures (cont'd)

A. Teacher's Retirement System of the State of Illinois (cont'd)

Tier II members qualify for retirement benefits at age 67 with 10 years of service, or a discounted annuity can be paid at age 62 with 10 years of service. Creditable earnings for retirement purposes are capped and the final average salary is based on the highest consecutive eight years of creditable service rather than the last four. Disability provisions for Tier II are identical to those of Tier I. Death benefits are payable under a formula that is different from Tier I.

Essentially all Tier I retirees receive an annual 3 percent increase in the current retirement benefit beginning January 1 following the attainment of age 61 or on January 1 following the member's first anniversary in retirement, whichever is later. Tier II annual increases will be the lesser of three percent of the original benefit or one-half percent of the rate of inflation beginning January 1 following attainment of age 67 or on January 1 following the member's first anniversary in retirement, whichever is later.

Contributions

The state of Illinois maintains the primary responsibility for funding TRS. The Illinois Pension Code, as amended by Public Act 88-0593 and subsequent acts, provides that for years 2010 through 2045, the minimum contribution to the System for each fiscal year shall be an amount determined to be sufficient to bring the total assets of the System up to 90 percent of the total actuarial liabilities of the System by the end of fiscal year 2045.

Contributions from active members and TRS contributing employers are also required by the Illinois Pension Code. The contribution rates are specified in the pension code. The active member contribution rate for the year ended June 30, 2016, was 9.4 percent of creditable earnings. On July 1, 2016, the rate dropped to 9.0 percent of pay due to the expiration of the Early Retirement Option (ERO). The member contribution, which may be paid on behalf of employees by the employer, is submitted to TRS by the employer.

On behalf contributions to TRS. The state of Illinois makes employer pension contributions on behalf of the employer. For the year ended June 30, 2017, State of Illinois contributions recognized by the employer were based on the state's proportionate share of the collective NPL associated with the employer, and the employer recognized revenue and expenditures of \$7,916,898 in pension contributions from the State of Illinois.

2.2 formula contributions. Employers contribute 0.58 percent of total creditable earnings for the 2.2 formula change. The contribution rate is specified by statute. Contributions for the year ended June 30, 2017, were calculated to be \$58,481., \$58,481 was actually paid toward this obligation in the current fiscal year.

Federal and special trust fund contributions. When TRS members are paid from federal and special trust funds administered by the employer, there is a statutory requirement for the employer to pay an employer pension contribution from those funds. Under a policy adopted by the TRS Board of Trustees that has been in effect since the fiscal year ended June 30, 2006, employer contributions for employees paid from federal and special trust funds will be the same as the state contribution rate to TRS. Public Act 98-0674 now requires the two rates to be the same.

For the year ended June 30, 2017, the employer pension contribution was 38.54 percent of salaries paid from federal and special trust funds. For the year ended June 30, 2017, salaries totaling \$104,370 were paid from federal and special trust funds that required employer contributions of \$40,224. \$31,553 of these contributions were actually paid in the current fiscal year.

A. Teacher's Retirement System of the State of Illinois (cont'd)

Employer retirement cost contributions. Under GASB Statement No. 68, contributions that an employer is required to pay because of a TRS member retiring are categorized as specific liability payments. The employer is required to make a one-time contribution to TRS for members retiring under the ERO. The payments vary depending on the member's age and salary. The maximum employer ERO contribution under the program that ended June 30, 2016 is 146.5 percent and applies when the member is age 55 at retirement. For the year ended June 30, 2017, the employer paid \$-0- to TRS for employer ERO contributions for retirements that occurred before July 1, 2016.

The employer is also required to make a one-time contribution to TRS for members granted salary increases over 6 percent if those salaries are used to calculate a retiree's final average salary. A one-time contribution is also required for members granted sick leave days in excess of the normal annual allotment if those days are used as TRS service credit. For the year ended June 30, 2017, the employer paid \$-0- to TRS for employer contributions due on salary increases in excess of 6 percent and \$2,245 for sick leave days granted in excess of the normal annual allotment.

Pension Expense

For the year ended June 30, 2017, the employer recognized pension expense of \$92,279 on a cash basis under this plan.

B. Illinois Municipal Retirement Fund (IMRF)

Plan Description.

The District's defined benefit pension plan for non-certified employees provides retirement and disability benefits, post-retirement increases, and death benefits to plan members and beneficiaries. The District's plan is managed by the Illinois Municipal Retirement Fund (IMRF), the administrator of a multi-employer public pension fund. A summary of IMRF's pension benefits is provided in the "Benefits Provided" section of this document. Details of all benefits are available from IMRF. Benefit provisions are established by statute and may only be changed by the General Assembly of the State of Illinois. IMRF issues a publicly available Comprehensive Annual Financial Report that includes financial statements, detailed information about the pension plan's fiduciary net position, and required supplementary information, for the plan as a whole, but not for individual employers. That report can be obtained online at <https://www.imrf.org/en/publications-and-archive/annual-financial-reports>.

Benefits provided.

IMRF has three benefit plans. The vast majority of IMRF members participate in the Regular Plan (RP). The Sheriff's Law Enforcement Personnel (SLEP) plan is for sheriffs, deputy sheriffs, and selected police chiefs. Counties could adopt the Elected County Official (ECO) plan for officials elected prior to August 8, 2011 (the ECO plan was closed to new participants after that date).

All three IMRF benefit plans have two tiers. Employees hired before January 1, 2011, are eligible for Tier 1 benefits. Tier 1 employees are vested for pension benefits when they have at least eight years of qualifying service credit. Tier 1 employees who retire at age 55 (at reduced benefits) or after age 60 (at full benefits) with eight years of service are entitled to an annual retirement benefit, payable monthly for life, in an amount equal to 1-2/3% of the final rate of earnings for the first 15 years of service credit, plus 2% for each year of service credit after 15 years to a maximum of 75% of their final rate of earnings. Final rate of earnings is the highest total earnings during any consecutive 48 months within the last 10 years of service, divided by 48. Under Tier 1, the pension is increased by 3% of the original amount on January 1 every year after retirement.

B. Illinois Municipal Retirement Fund (IMRF) (cont'd)

Employees hired on or after January 1, 2011, are eligible for Tier 2 benefits. For Tier 2 employees, pension benefits vest after ten years of service. Participating employees who retire at age 62 (at reduced benefits) or after age 67 (at full benefits) with ten years of service are entitled to an annual retirement benefit, payable monthly for life, in an amount equal to 1-2/3% of the final rate of earnings for the first 15 years of service credit, plus 2% for each year of service credit after 15 years to a maximum of 75% of their final rate of earnings. Final rate of earnings is the highest total earnings during any 96 consecutive months within the last 10 years of service, divided by 96. Under Tier 2, the pension is increased on January 1 every year after retirement, upon reaching age 67, by the lesser of:

- 3% of the original pension amount, or
- 1/2 of the increase in the Consumer Price Index of the original pension amount.

Employees covered by benefit terms.

At December 31, 2016, the following employees were covered by the benefit terms:

Retirees or Beneficiaries currently receiving benefits	143
Inactive employees entitled to but not yet receiving benefits	103
Active employees	<u>103</u>
Total Members	349

Contributions.

As set by statute, the District's Regular Plan Members are required to contribute 4.5% of their annual covered salary. The statute requires employers to contribute the amount necessary, in addition to member contributions, to finance the retirement coverage of its own employees. The District's annual contribution rate for calendar year 2016 was 11.82%. The total employer contribution paid for 2016 was \$260,860. The District's contribution rate for the calendar year 2017 is 10.95%. The actual contributions paid during the fiscal year ended June 30, 2017 were \$254,602. The District also contributes for disability benefits, death benefits, and supplemental retirement benefits, all of which are pooled at the IMRF level. Contribution rates for disability and death benefits are set by IMRF's Board of Trustees, while the supplemental retirement benefits rate is set by statute.

Note #7 – Other Post-Employment Benefits

Teacher Health Insurance Security

The employer participates in the Teacher Health Insurance Security (THIS) Fund, a cost-sharing, multiple-employer defined benefit post-employment healthcare plan that was established by the Illinois legislature for the benefit of retired Illinois public school teachers employed outside the city of Chicago. The THIS Fund provides medical, prescription, and behavioral health benefits, but it does not provide vision, dental, or life insurance benefits to annuitants of the Teachers' Retirement System (TRS). Annuitants not enrolled in Medicare may participate in the state-administered participating provider option plan or choose from several managed care options. Annuitants who are enrolled in Medicare Parts A and B may be eligible to enroll in a Medicare Advantage plan.

Note #7 – Other Post-Employment Benefits

Teacher Health Insurance Security (cont'd)

The State Employees Group Insurance Act of 1971 (5 ILCS 375) outlines the benefit provisions of the THIS Fund and amendments to the plan can be made only by legislative action with the Governor's approval. The plan is administered by the Illinois Department of Central Management Services (CMS) with the cooperation of TRS. Section 6.6 of the State Employees Group Insurance Act of 1971 requires all active contributors to TRS who are not employees of the state to make a contribution to the THIS Fund.

The percentage of employer required contributions in the future will not exceed 105 percent of the percentage of salary actually required to be paid in the previous fiscal year.

On behalf contributions to the THIS Fund

The state of Illinois makes employer retiree health insurance contributions on behalf of the employer. State contributions are intended to match contributions to the THIS Fund from active members which were 1.12 percent of pay during the year ended June 30, 2017. State of Illinois contributions were \$112,929, and the employer recognized revenue and expenditures of this amount during the year.

Employer contributions to the THIS Fund

The employer also makes contributions to the THIS Fund. The employer THIS Fund contribution was 0.84 percent during the year ended June 30, 2017. For the year ended June 30, 2017, the employer paid \$84,697 to the THIS Fund, which was 100 percent of the required contribution.

Further information on the THIS Fund

The publicly available financial report of the THIS Fund may be found on the website of the Illinois Auditor General (<http://www.auditor.illinois.gov/Audit-Reports/ABC-List.asp>). The current reports are listed under "Central Management Services" (<http://www.auditor.illinois.gov/Audit-Reports/CMS-THISE.asp>). Prior reports are available under "Healthcare and Family Services" (<http://www.auditor.illinois.gov/Audit-Reports/HEALTHCARE-FAMILY-SERVICES-Teacher-Health-Ins-Sec-Fund.asp>).

The District provides post-retirement health care benefits for the retirees and their dependents. All retirees are eligible to continue their health coverage under the District's self-funded health insurance plan. The retirees are responsible for the entire premium payment to secure coverage. The District finances the plan on a pay-as-you-go basis. The Unfunded Actuarial Liability has not been determined as of June 30, 2017.

Plan Description. The District administers a single-employer defined benefit healthcare plan. The Educational support employees who contribute to IMRF are eligible for post-retirement medical coverage. The plan does not issue a separate publicly available financial report.

Funding Policy. The contribution requirements of the District may be amended by the School Board. Current policy is to pay for post-retirement medical and insurance benefits or premiums as they occur. The District requires retirees to contribute 100% of the premium for their desired coverage. The premiums are established for the employee/retiree group, which is currently \$375 per month for individual coverage and \$832 per month for family coverage. Although, with regard to retirees, this amount contains an implied rate subsidy by the District through the blended premium covering all current employees and retirees, there is no actuarial valuation performed to determine the amount of such subsidy.

Contributions Made. Because the retiree insurance premium established is paid entirely by retiree contributions, there is no net cash outflow by the District related to these benefits when paid. Therefore, there are no cash-basis expenditures reported by the District in regard to the plan benefits for retirees.

Note #12 - Deficit Fund Balances

As of June 30, 2017, the District had no deficit fund balances.

Note #13 - Self Insurance Plan

All employees of the district are covered under the State of Illinois Unemployment Insurance Act. The district elected to be self-insured, and therefore, is liable to the State for any payments made to an unemployed worker claiming benefits.

The District is self-insured for medical coverage, which is provided to school personnel. SISCO administers claims for a fixed fee per enrolled employee. The District is responsible for the payment of claims up to annual levels of \$90,000 per employee and a maximum aggregate benefit of \$1,000,000. The minimum aggregate attachment point was \$1,408,378. Additional claims would be covered by commercial insurance. Future potential claims as of June 30, 2017 were not estimable.

At the beginning of each fiscal year, the District determines the amount of funds needed to operate the plan. This estimated total cost is used to develop standard unit charges for employees and for dependents covered under the plan.

The District has established a separate Self-Insurance Fund (Expendable Trust Fund) to account for the operation of this self-insurance plan. District contributions to the fund are made on the basis of 100% of the charges for employee coverage. Through payroll deductions, the employees are responsible for payment of the entire charges related to coverage of their dependents.

¹¹ A suggested format for assigning reference numbers is to use the digits of the fiscal year being audited followed by a numeric sequence of findings. For example, findings identified and reported in the audit of fiscal year 2017 would be assigned a reference number of 2017-001, 2017-002, etc. The sheet is formatted so that only the number need be entered (1, 2, etc.).

¹² Provide sufficient information for judging the prevalence and consequences of the finding, such as relation to universe of costs and/or number of items examined and quantification of audit findings in dollars.
