

## **Northside School Procedures for Dropping Off and Picking Up Students:**

**Car Riding Students:** Parents are asked to drop off and pick up students transported by car in the designated area on North Aldrich Street (west of the School). This drop off and pick up area was constructed for the safety of our students. **Picking up or dropping off students on East Wells Street or North Russell Ave. is prohibited.** Schedule your drop off of students after 8:00 am, as students are not allowed in the playground area or in the classrooms until after that time.

**Walking and Bike Riding Students:** Students are not allowed in the playground area or in the classrooms until after 8:00 am. At the end of the day, all walkers and bike riders will exit the building through the main doors in the front of the school (east side of the building adjacent to North Russell Ave.) If you are walking home with your child, please meet them on the sidewalk near the main entrance.

**Bus Riding Students:** Students riding the bus to school wait in the cafeteria until the 8:00 am bell. Students are not allowed in the playground area or in the classrooms until after 8:00 am.
