

IMPORTANT NOTIFICATION FOR PARENTS/GUARDIANS OF GENESEO CUSD #228 STUDENTS

The Geneseo School District has partnered with SchoolMessenger to bring a messaging service to parents/guardians and students.

The District will be sending automatic phone calls and e-mails to parents regarding activities at school. Updates might relate to student attendance, announcements, reminders and any rapid communications. The system is programmed to call the **primary phone number** of parents/guardians for a variety of reasons that impact the safety and academic performance of your students. SchoolMessenger will be used to complement our emergency preparedness procedures and to inform parents of upcoming school events such as statewide testing and parent meetings.

This system will not replace current modes of school communication. Principals are still accessible for live visits, and we will still send home paper-based memoranda. Acquisition of the SchoolMessenger system is intended to reinforce the District's commitment to remain personally connected to parents/guardians.

Be sure your contact information, including primary phone number, alternate phone numbers and e-mail addresses are current with the school office.
